

Lauren X Khoo
Singapore

Each Lauren X Khoo piece starts with an artistic vision that yields the creation of a wearable masterpiece to add to any wardrobe. Her designs blend the freshness and energy of the contemporary with the flow and elegance of classics. Born in Singapore to a Chinese family, Khoo's designs manifest her love of travel and East, West and Middle Eastern cultures. The *Cupola Ring* embellished on both the inside and out is inspired by 4th through 19th Century basilicas; while the *Bipyramid Ring & Spear* pays homage to the uniform prisms seen in the pyramids of Egypt; LaurenXKhoo.com.
